

FUNDRAISING UPDATE

July 2024

This month's fundraising update showcases an **AMNESTEA** event organised by the Church Stretton Amnesty Group that raised vital funds and helped reach new potential group members in the local area. These are fantastic fundraisers that we would love to see all groups host. Read on for more info. on this event and details of how you can organise an **AMNESTEA** with your group.

AMNESTEA in the Shropshire Hills

The Church Stretton Amnesty Group recently invited Amnesty supporters and their friends and families in the local area to an **AMNESTEA**. The weather was fine and that certainly helped get a strong turnout attracting walkers needing refreshments after hiking across the Shropshire Hills. The event raised a total of £350 for Amnesty International UK and gave the group a chance to chat to many people in their area supportive of Amnesty International UK and eager to learn more about Amnesty's work and how the group campaign for human rights locally.

AMNESTEA events are wonderful fundraisers that work well for experienced fundraising groups and those wanting to take their first steps into fundraising. All you need for a successful event is a space to host the event and a healthy supply of cakes – you can bake these yourself or buy them (you may also be able to have them donated!)
