

July Fundraising Update

It's the end of another academic year and our amazing network of Amnesty Youth Groups have marked it by organising some fantastic fundraising events and raising awareness of human rights issues.

Campion School Give it Up

Students at Campion School in Westminster organised a Give it Up day where they went without speaking for the day and taped their mouths closed to draw attention to what they were doing. Not only did they raise awareness of the plight of people who denied the right to free expression, but they also raised £337.45 for Amnesty. Thanks Campion School Amnesty Group!

Forest School's Year of Fundraising

The Forest School Amnesty Group capped off an amazing year of fundraising with a sponsored hula hooping and piñata smashing event that raised £114 for Amnesty and raised awareness of torture in Mexico.

So far this year they have raised an amazing £1026.38. Well done Forest School!

Summer Break

We would like to say a massive THANK YOU to everyone who organised fundraising events, made donations and otherwise supported Amnesty this year. We really appreciate your efforts. Without our supporters we simply wouldn't exist and wouldn't be able all the amazing work we do. We can't wait to see what amazing fundraising ideas you come up with next year!
