

June Fundraising Update

Summer has officially arrived! This is the perfect time to organise a fundraising event. Here are a few ideas from other youth groups to inspire you.

Hollins Amnesty Group's AMNESTEA

The Amnesty Youth Group at the Hollins Technology College organised an **AMNESTEA** event on June 12, World Day against Child Labour. They sold cakes to raise money for Amnesty and spoke to their fellow students about child labour. They also talked about the Human Rights Act and why it's important that we fight to keep it.

It's always good to combine your fundraising with a conversation about the issues Amnesty works on – people are much more likely to make a donation if they know where it's going. What better way to start a conversation than with a slice of cake! Order one of our **AMNESTEA** kits to help you organise your own fundraising event: www.amnesty.org.uk/tea

Freman College Amnesty Group's Live Lounge

Freman College are one of our star fundraising groups and this year they've pulled off some amazing fundraising events. One of those, the Live Lounge, is a regular event that they hold on the evening in the school. All the acts are recruited from the school and they perform acoustic sets to a crowd of students and adults. They also sold refreshments on the night to bring in extra funds. If you are interested in organising a live music fundraiser at your school get in touch with the Community Fundraising Team by email (fundraise@amnesty.org.uk) or phone (02070331650).

Give it Up for Human Rights

Many of our Youth Groups are still organising Give it Up for Human Rights events to raise money for Amnesty and to raise awareness of the importance of the Universal Declaration of Human Rights. Order your kit today and start planning a Give it Up day in your school: www.amnesty.org.uk/youthgiveitup
